Hazard Identified? / Risks from it?	Who is at risk?	How are the risks already controlled? What extra controls are needed?	What has changed that needs to be thought about and controlled?
Hazard – something that may cause harm or damage. Risk – the chance of it happening.	Young people, Leaders, Visitors?	Controls – Ways of making the activity safer by removing or reducing the risk from it.  For example - you might use a different piece of equipment or you might change the way the activity is carried out.	Keep <b>checking</b> throughout the activity in case you need to change itor even <b>stop</b> it! This is a great place to add comments which will be used as part of the review.
